

CDCP Dental Services in Calgary – Simple and to the point

Many people endure dental problems until the pain becomes unbearable. The reason is simple: dental treatment is expensive. This fear keeps many Calgarians from seeing a dentist for years. If you're one of them, [CDCP Dental Services in Calgary](#) could be just the thing for you.

The Canadian Dental Care Plan (CDCP) is a government-sponsored program designed to help people who don't have dental insurance receive dental care without significant out-of-pocket costs. Some clinics in Calgary accept this plan, and **Sage Smiles Dental** is one of them .

This blog isn't written in doctor's terms. It's just the way ordinary people talk to each other.

What the CDCP

CDCP simply means that if you don't have a high income and private dental insurance, the government may cover some or all of the cost of your dental treatment.

Thanks to [CDCP Dental Services in Calgary](#), people no longer ignore minor dental problems. Timely checkups, cleanings, and care are taken before they become major problems.

Who can avail CDCP Dental Services in Calgary?

Almost everyone asks this question. The truth is, not everyone qualifies, but many ordinary people do. Generally, you're eligible if:

- You don't have any dental insurance
- You live in Canada and your papers are in order
- You filed a previous tax return
- Your family income is within the government-defined limit

Especially elderly people, children and low-income families are feeling relieved by this plan.

What treatments are covered under CDCP?

People often think that CDCP doesn't cover much. But in reality, [CDCP Dental Services in Calgary](#) covers many important treatments, such as:

- General dental check-up
- Professional Cleaning and Scaling
- X-ray if needed

- cavity filling
- Root canal in some cases
- bad tooth extraction
- tooth care to prevent further tooth decay

Everyone's condition is different, so the final coverage will be determined by the dentist after examining it.
